

## Pacific Horizon Standard GEM luxury and comfort

The Standard GEM motorhome, built in either 2016 or 2017, is most suitable for up to 2 adults.

This model is also available as a Premium motorhome, where for an additional NZ\$35.00 per day, you can be guaranteed a newer vehicle (subject to availability) built in either 2018 or 2019.

Sleek and sophisticated, with appealing curves and a contemporary interior, the GEM luxury motorhome provides the blueprint for motorhome design. Whether it's the independent living/sleeping areas you're after, or the extra space and comfort for a couple wishing to travel in style, the GEM is the perfect motorhome.

**Dual living/dining areas:** More versatile than many other motorhomes, with the option of leaving the king size bed made up at the back and using the front living area for dining.

**All forward facing seats:** Continuing the pioneering work of Pacific Horizon with the focus on safety and comfort.

**Easy access:** With unhindered access from front to rear, the whole motorhome is accessible without having to step outside.

**Automatic transmission:** The drive is effortless, with Mercedes safety and style.
