

Pacific Horizon Standard SAM a new standard in design

The Standard SAM motorhome, built in either 2016 or 2017, is most suitable for up to 6 adults, or for 2 adults plus up to 4 children. This model is also available as a Premium motorhome, where for an additional NZ\$35.00 per day, you can be guaranteed a newer vehicle (subject to availability) built in 2018.

Step into a SAM and you are stepping into a motorhome that leads the industry with a combination of innovative design and technology. You'll be impressed by the superb quality and finishing that makes the SAM superior to other 6-berth motorhomes. Delve deeper and the benefits go beyond mere looks.

Two living areas: Offering large living areas with comfortable, forward-facing seating for up to 6 people at the front of the motorhome.

Multiple bedroom & bed configurations: Easily transformable into the configuration that you choose as the best option to suit your needs.

Walk through cabin to living: With a raised roof above the driving cab and a clear walk through from front to rear, SAM is perfect for stretching out.

Automatic transmission: The drive is effortless, with Mercedes safety and style.
