

Pacific Horizon 2+1 compact and stylish

The 2+1 motorhome is most suitable for 1-2 adults, or for 2 adults plus 1 child up to approximately 8 years of age.

It leads its category thanks to its style, quality and functionality, with perfectly allocated space and a fully featured interior, the king size bed and unique mid-vehicle bed location allows you the comfort and relaxation of travelling the country in luxury.

Integrated living space: A larger living area incorporating the swivel front passenger seat and removable front table creates more space and size in the middle of the vehicle.

Real freedom on the road: The 3-way fridge, along with gas cooker, gas or thermostatically controlled diesel heater, and internal toilet/shower allows true independent travel.

Extra bed for a child: A hammock-style bunk bed suitable for a young child fits easily above the mid-vehicle king bed, if required.

Easy access: A large sliding side door as well as rear entry doors allows unrivalled accessibility, as well as making the most of the outside views when parked.

Automatic transmission: The drive is effortless, with Mercedes safety and style.
