

Pacific Horizon GEM-4 luxury and comfort

The Pacific Horizon GEM-4 motorhome is most suitable for up to 4 adults, or for 2 adults plus 2 children, due to its unique 'double bed over double bed' design.

Sleek and sophisticated, with appealing curves and a contemporary interior, the GEM-4 motorhome provides the blueprint for motorhome design. Whether it's the independent living/sleeping areas you're after, or the extra space and comfort for a couple wishing to travel in style, the GEM is the perfect motorhome.

Dual living/dining areas: More versatile than many other motorhomes, with the option of leaving the king size bed made up at the back and using the front living area for dining.

All forward facing seats: Continuing the pioneering work of Pacific Horizon with the focus on safety and comfort.

Easy access: With unhindered access from front to rear, the whole motorhome is accessible without having to step outside.

Automatic transmission: The drive is effortless, with Mercedes safety and style.
